K-PHOENIX-30 ‹120 cm›

Combi Safety Storage Cabinet
K-PHOENIX-30 Model K30.197.120.MV.FWAS
Light grey (RAL 7035), folding door **with door open arrest system**
Left side: 3 shelves, perforated insert and bottom collecting sump (plastic laminated sheet steel),
Right side: 4 shelves with plastic sumps
Order No. 30342-001-30344

Left compartment:

Right compartment:

Function / construction:

- **dividing wall** - one cabinet with two different interior equipments
- **robust construction and longevity** – safety elements assembled outside the storage compartment for increased protection against corrosion, easy to clean
- **easy handling** - doors can be opened with minimal effort
- **comfortable and safe** - standard door open arrest system, convenient and safe removal or storage of containers
- **no unauthorised use** - cylinder locking (integration in locking system possible)
- **easy alignment** - adjusting aids to compensate for uneven floor
- **easy transport** – integrated transport base with cover
- **quickly put into operation** – integrated air ducts ready for connection (NW 75) to a technical exhaust system with only one extraction air inlet

Available equipment - left compartment:

- shelves (load capacity: 75 kg)
- perforated inserts
- bottom collecting sumps (volume 27 ltr.)
- storage box

Available equipment - right compartment:

- metal-free shelf with plastic sump

Metal-free shelf with plastic sump
optimal for the storage of aggressive substances

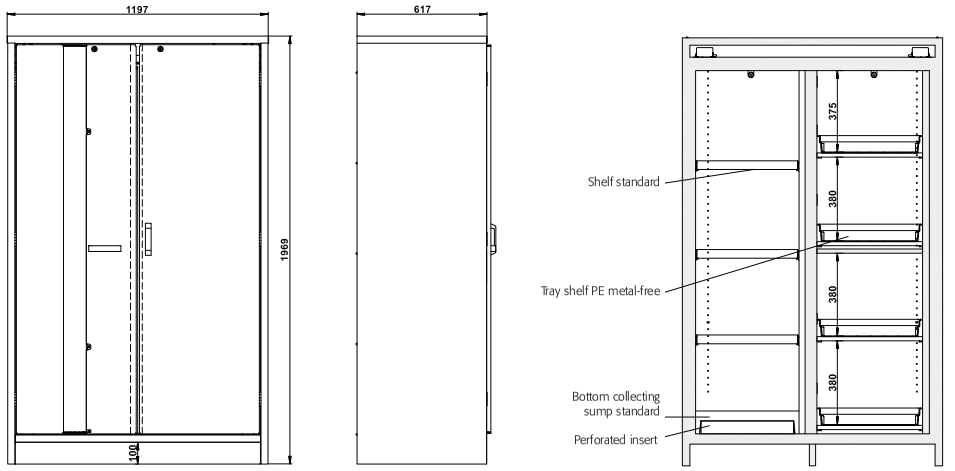

Bottom collecting sump
high capacity, optimal for the storage of large containers, safe collection of leakage

Shelves
height adjustable (32 mm increments) with 40 mm upstand
